During the 2010/2011 fiscal year the Commission held meetings on the following dates to consider various matters:

**LEGISLATIVE ASSEMBLY MANAGEMENT COMMISSION
DECISIONS/RECOMMENDATIONS**

2011/2012 LEGISLATIVE ASSEMBLY ESTIMATES

The Commission met on March 3, 2011 to consider and approve the 2011/2012 estimates for the Legislative Assembly and for the offices of the Independent Officers.

ALLOWANCES COMMISSIONER

One of the measures adopted by the Legislative Assembly following from the November 2009 Report of the Auditor General on Audits of Government Operations was the passage in December 2009 of *Bill 2 – The Legislative Assembly Amendment and Legislative Assembly Management Commission Amendment Act*, which contained provisions to enhance the accountability and transparency of MLA expense spending. This legislation provided for the appointment of an Allowances Commissioner to review the Auditor's report and make appropriate and applicable regulatory changes concerning Members' Allowances. The Commission appointed Michael Werier as the Allowances Commissioner.

Commissioner Werier released his report on September 2, 2010. His report made decisions in a number of areas including:

- transparency and accountability
- adequacy of supporting documentation/proof of payment
- bank accounts
- year end cut-off of Members' claims
- capital assets
- capital carry-over
- communication charges
- donations to charitable and non-profit organizations
- other donations/gifts
- event tickets
- sponsorship
- token souvenir items
- flowers (wreaths, poinsettias), plaques
- scholarships and bursaries
- books
- meals
- expenses for food, refreshment and product for fundraising activities
- community events
- parades
- supplies for office hospitality
- private vehicle mileage
- taxi/parking

- travel outside of the Member's constituency
- airfare claims
- living allowances/living expenses
- printing allowance
- appeal process

One of the Commissioner's decisions dealt with the process for consideration of appeals that were disallowed by the Members' Allowances Office. Previously, such appeals were considered by the Commission, however in the interest of ensuring transparency and accountability, the Commissioner determined the appeals should be made to an independent third party and should also be binding. In accordance with this decision, the Commission appointed Michael Werier as the Commissioner to consider all appeals concerning Members' expense claims disallowed by the Members' Allowances Office. All decisions made by the Appeals Commissioner are to be binding.

VISITOR TOUR OFFICE

In 2005, when the Visitor Tour Office for the Legislative Building was transferred from the responsibility of the Department of Culture, Heritage and Tourism to the Legislative Assembly, staff hired to work in the Visitor Tourism Office were included under the non-partisan hiring criteria applicable to all non-political offices of the Legislative Assembly on a go-forward basis.

Upon further review, the Commission decided that staff of the Visitor Tour Office will no longer be required to fulfil the non-partisan criteria when hired, however it will be incumbent on Visitor Tour staff to perform their work duties in a non-partisan manner.
